

Product data sheet

Additional motor lock control

Additional motor lock control for smoke and heat extraction systems

AREAS OF APPLICATION

- IQ lock EL
- IQ lock EL DL
- Smoke and heat extraction system

Additional motor lock control

PRODUCT FEATURES

- Control unit of the motor lock in smoke and heat extraction systems
- Mounting in surface-mounted box

TECHNICAL DATA

Productname	Additional motor lock control
Type of installation	Surface-mounted
Dimensions	140 x 140 x 79 mm
IP rating	IP65
