Manager of the test center

Terms

For the use of the mark as illustrated "TYPE APPROVED"

This certificate is valid exclusively for the company named overleaf and the manufacturing site stated. Only the test center is authorized to extend the approval to third parties.

The permission to use the illustrated mark applies only to such products which correspond to the approved type tested by the test center and detailed overleaf.

All products for which the mark is used must bear the company's sign (sign of origin) in the form registered with the test center. The TÜV mark and the company's sign must always be applied together to or in the same parts of the product, and if at all possible in the same manner and so as to be long-lasting and easily read.

The holder of the certificate is obliged to monitor the manufacturer of the products granted the mark continuously to ensure they match the TÜV testing regulations, and in particular to carry out the inspections laid down in the testing regulations or ordered by the test center according to the rules.

Furthermore, he/she is obliged to permit the necessary inspections and audits by the test center for controlling the manufacturer and the correct use of the mark.

In addition to the above terms, all the other terms and regulations apply for the certification which is specified in the General Agreement with TÜV Thüringen on the issue of certificates and the use of test marks. The certificate and permission is valid for as long as the regulations are in force upon which the test was based, unless there is prior withdrawal under the General Agreement.

This test certificate has to be returned to the test center if it is terminated or loses its validity for any other reason mentioned in the said General Agreement.
